at the Gallery.

Artist's Reception July 5th, 12-4 pm

The featured show at the Lakes & Valleys Gallery for the month of July, "Metal Secrets", will present the metal sculptures of Green Valley artist Jay Ryatt. A focal point of the exhibition is a series of steel corsets created in collaboration between Ryatt and artist/costumer Krista Waite, also of Green Valley. The steel corsets, and other accoutrements, are engaging fine art wall hangings and also function as wearable art, which will be demonstrated by Krista and friends. Jay Ryatt is a long time area resident and one of the originators and primary organizer of the very popular Green Valley ArtWalk. The ArtWalk recently celebrated it's 9th year. Krista Waite is also a member of the local musical trio, New Leaf, which will perform at the opening reception on Sunday, July 5th, noon to 4pm. The show runs through July 26.
